# The Lakes South Morang College **Newsletter**

Term 2, Week 3  
Issue 6 - 2024

*The Lakes South Morang College respectfully acknowledges that beneath the significant River Red Gums that feature across our school's landscape lay the traditional lands of the Wurundjeri-Willam people of the Kulin Nation.*

## PRINCIPAL REPORT

**MARCUS ABNEY-HASTINGS**  
PRIMARY CAMPUS PRINCIPAL

Dear Parents/Carers,

I hope everyone has settled back into the new school term and getting back into the rigors of learning and structure of the school day.

I wanted to take a moment to reflect on the remarkable partnership between our College and our parents/carers. At The Lakes, we firmly believe that student success is a collaborative effort, and your involvement plays a pivotal role in creating a nurturing and conducive learning environment for our students. Your involvement in your child's education is invaluable, and it is through our partnership that we can create a thriving learning community where every student can succeed.

In saying this, our students have come back into school settled and ready to learn. However, I would like to take this opportunity to let parents/carers know that we are continuing (like every other school across Victoria) to have issues with the responsible use of social media outside of school hours which is then impacting students at school. It is NOT ok to degrade people on social media and if this happens, both the school and police need to be notified. Just like inappropriate use of social media, as a school we will not tolerate students using their hands and feet to hurt others. We have seen too many incidents of students getting angry and hurting others and not walking away and/or speaking with a teacher on yard duty. We continue to educate students about the correct ways to deal with conflict, but small sections of our student community continue to take matters into their own hands. Students have the right to feel safe at school and as a school we will always put things in place to support everyone's safety. If there are incidents in the yard or via social media, parents/carers will be called, and meetings will take place.

## **PRINCIPAL REPORT**

Last week we had the privilege of hosting several of our local feeder Kindergartens. They were impressed with the engagement of our students and the new upgrades of facilities across the Primary Campus, seeing our wonderful students in action. This is an invaluable partnership we have with our feeder Kindergartens and something we would like to continue to build moving into the future. A reminder to our families who maybe joining us in 2025, enrolments are open for Prep. Please come into the front office and speak with Karen or Tanya about this.

Over the next 4 weeks, students in Years 4,5 and 6 will be involved in the statewide Attitudes to School Survey. This survey allows students to voice their thoughts about their teachers, our school and how they are feeling at school. This data is the cornerstone of everything we do here at The Lakes and compares us to every school in Victoria. Across the past 4 years, our data has continued to grow with data exceeding both state and like schools. This is something that as a leader, I am very proud of and shows that our students are proud of our school.

A massive thank you to our Student Leaders who conducted a fitting and emotional ANZAC service last Wednesday. Our leaders continue to grow and develop within their role and have shown a wonderful understanding of our school and our values in everything they do. Keep up the great work!

A reminder about our upcoming Trivia Night which is being held on Saturday June 1st at the Riverside Community Centre. Our Parent/Carer Fundraising Committee have been working overtime to get this up and running. Please come and support this event. Please keep an eye out for information about this event via Compass over the next few weeks. A massive thank you to our fundraising committee – Amanda, Jenny, Helen, Veronica, Katrina, Karen and Briohny for all the work you do for our school. It is much appreciated.

Lastly, from a personal perspective, I will be taking some time away from The Lakes to take an Acting Principal position at Norris Bank Primary School in Bundoora. Robert Zull, Bec Sutton and Scott McLean will step into my role during my absence but please be assured that it will be business as usual. I am proud of what we have created here at The Lakes in the past 4 ½ years as Campus Principal and have appreciated the support of parents/carers, teachers, and students.

Have a wonderful week and rest of the term.

I will see you to start Term 3.

## YEAR 4 REFLECTION

**NEVE & COHEN** YEAR 4 SRC

*Hey everyone. This Term in Year 4 has been super cool because we've been working on making a lunchbox that can keep our hot food hot and our cold food cold. We've been learning all about how to use special materials and technology to do this, like insulation and temperature control. It's been fun trying out different designs and seeing which works best. We've been testing our lunchbox designs and making changes to make them even better. It's been awesome working together with our friends to come up with cool ideas!*

*Next week, we're going on a trip to Science Works, and we're so excited! We'll get to see how all the science stuff we've been learning about is used in real life. It's going to be so cool to learn even more about temperature control and design.*

*On Wednesday 30th the Year 3 – 6 students went to Bundoora Park with Liam, Dylan J, Alex and Jaz for our district cross country! It was freezing but we were all super excited to race against other schools. We were a bit nervous before our races but once the race started it went so quickly!*

## YEAR 9 REFLECTION

**LUKAS K & MIHAIL** YEAR 9 SRC

*During Term 1, all Year 9's participated in a Morrisby Testing where we answered questions on our interests. We found out from these tests the careers that are most suited to us. We then had interviews with people that work for Morrisby and they spoke about our careers in the future and what would be most suited for us.*

*We participated in our last NAPLAN ever where we were tested for our knowledge and understanding of the English language and its wide variety of outstanding punctuation and grammar that lie dormant within this diverse and complicated yet sophisticated language. On the contrary we were also tested on the numerical and algebraic knowledge of our year 9 peers.*

*As we chiseled, cooked, coded, acted, drew and expanded our knowledge of the Indonesian language through our elective courses, we all gained a new skill that we have added to our ever-growing skillset of unimaginable possibilities and understandings.*

*Last Wednesday on the 24th of April we all paid our respects during the annual ANZAC commemoration which took place within our school's gymnasium.*

*As we ponder about the opportunity to participate in this year's City Experience, we can't help but be thrilled at the days to come where we slowly but surely grow closer towards the once in a life time experience.*

## FUNDRAISING & COMMUNITY CONNECTIONS

**The Fundraising team continue to plan and deliver a range of activities for our school, serving the dual purpose of running events that build community and social connections, whilst raising funds for ideas that have been brought to us directly from staff and students. All volunteers, without the team's generous donation of time, these events would not be possible.**

**If you would like to help out, or would like to contribute in any shape or form, we would love to hear from you! Please contact us at [8846-fundraising@schools.vic.gov.au](mailto:8846-fundraising@schools.vic.gov.au)**

### MOTHER'S DAY BREAKFAST

Following on from our very successful Fathers Day Breakfast last year, we would love to invite all families to our inaugural Mothers Day and special persons breakfast next Friday 10 May 2024. Beginning at 8am, we will be serving pancakes and having a coffee van on site (all free of charge). We are looking forward to seeing everyone!

### MOTHER'S DAY STALL

For Primary parents/carers, please also don't forget to put your forms in by next Tuesday 7 May for the annual Mothers Day stall on Wednesday. The stall is an important, long-standing fundraising event that raises money towards new items for our students.

### TRIVIA NIGHT

After a very long hiatus, Lakes Trivia Night is back on Saturday 1 June! We are excited to have booked TriviaOz to host the night, who have a wealth of experience hosting trivia events across Melbourne for schools, corporates and social clubs. The event promises to be a fun night with games, prizes and lots of laughs!

Both table bookings of 10 are available to purchase, as well as individual tickets. For individual tickets, we will try our best to seat you with other individual ticket holders from similar year levels.

Money raised will go towards purchasing outdoor yard activities for students on both campuses.

We would love to support our Lakes family businesses by giving them the opportunity to promote themselves at the event. If your business would like to donate small items or vouchers that can be used for door prizes, the team would love to hear from you. Full acknowledgement of your generosity will be returned via the school newsletter and social media.

To book, please visit <http://compasstix.com/event/8153f0c7-54f3-4cfd-ae2d-a94911569780>

Amanda Farrelly  
School Council President

The Lakes South Morang College's Fundraising Committee warmly invites all College families to our inaugural

# Mother's Day *and special person's* breakfast

Friday 10th May, 2024

8:00am—8:45am

Primary Campus

We will be serving pancakes free of charge and there will be a coffee van with free coffee (for Mother's or special adults) on site as well.

# Lakes Family Trivia Night!

Saturday 1st June, 2024

6:30pm - 11:00pm

Riverside Community Activity Centre

Doreen Rogan Way, South Morang

This is an 18+ event. **Scan the QR Code to purchase your tickets!**

## 2023 SCHOOL PERFORMANCE REPORT

The College's 2023 School Performance Report has just been released by the Department of Education.

In the report, School Performance is assessed against five performance groups, those being:

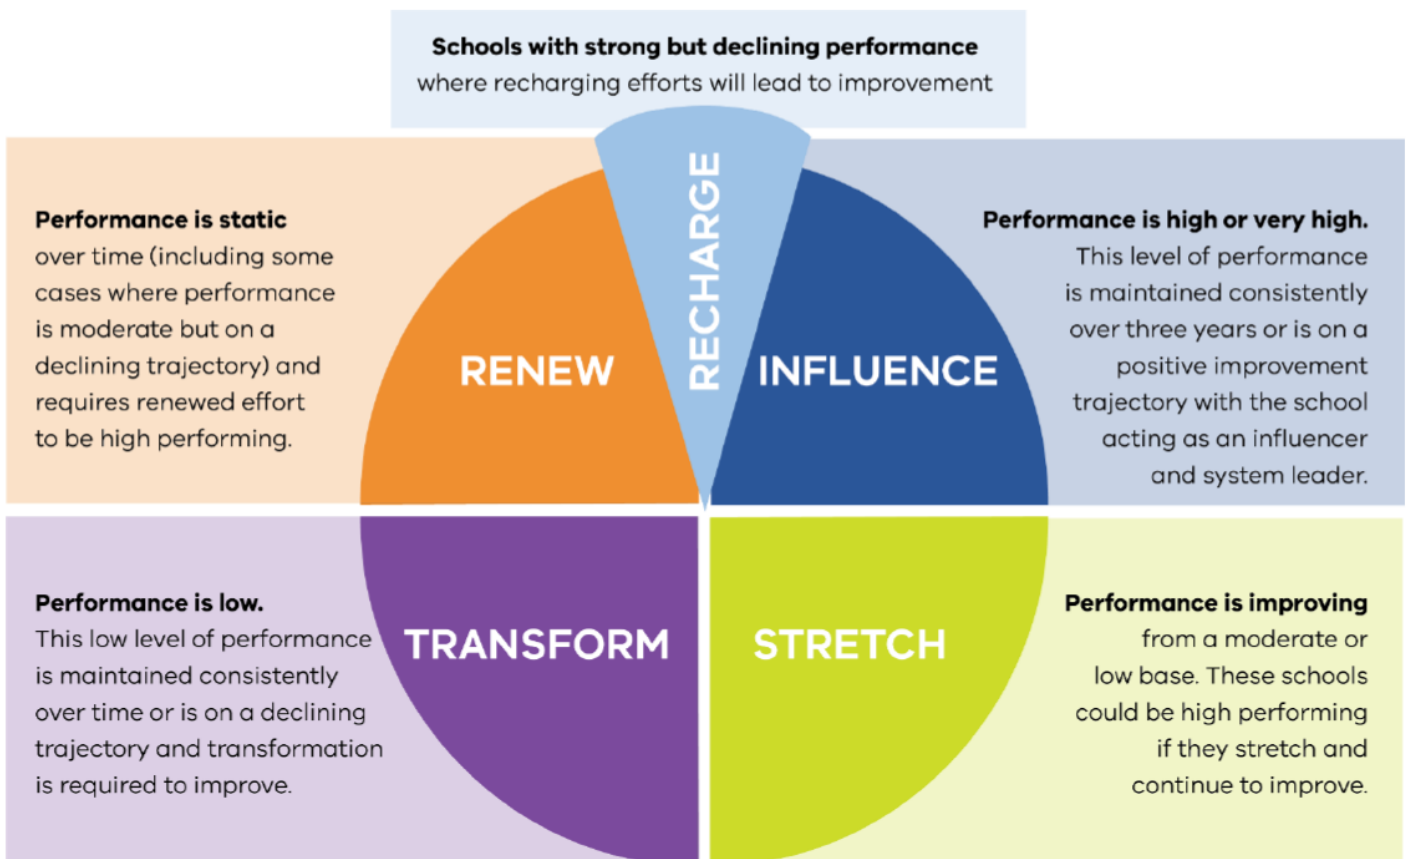

FIGURE 1: THE FIVE SCHOOL PERFORMANCE GROUPS

The Lakes South Morang College, received the following feedback for our 2023 year:

## Overall Performance Group

Current Level: Medium

Change Level: Increased

This is a very exciting development for our College as we progress on our journey of continual improvement. To provide context, in 2022, the overall performance of the College was deemed Renew. The 2023 report now sees the overall performance of the College at Stretch. The 2023 report showed the College had increased in areas of Influence (performance being high or very high) and Stretch (performance improving). At the Whittlesea Schools Network Conference held this week, schools in our area were presented with network performance data. Out of the 41 schools in our network, only one school was awarded an overall performance of Influence. The Lakes, was one of only two schools in the network to be awarded an overall performance of Stretch. This is a great achievement for the school, and something that we are very proud of achieving.

The 2023 report showed that the most significant areas of Influence for the College were in the Achievement Domains – Reading and Numeracy, followed by School Climate. An area for improvement for the College in 2024 as identified through this report including: Engagement, which can be supported through increased student attendance at the College – every day counts!; and, Student Attitude, particularly across Years 7-12 through stimulated learning, sense of confidence and a sense of connection and community between students. We look forward to working with students, staff and parents/carers as key drivers of change in these areas.

As we head into annual school performance surveying period, we cannot stress enough the importance of feedback from our College community: students, through the Attitudes to School Survey; parents/carers through the Parent Opinion Survey; and, staff through the School Staff Survey.

## Domain Performance Group

### Achievement (Reading)

INFLUENCE

The Achievement (Reading) domain measures performance on NAPLAN assessments in Reading; this includes achievement in strong or exceeding proficiency levels, lifting low performers and positive change in relative growth.

### Achievement (Numeracy)

STRETCH

The Achievement (Numeracy) domain measures performance on NAPLAN assessments in Numeracy; this includes achievement in strong or exceeding proficiency levels, lifting low performers and positive change in relative growth.

### School Climate

INFLUENCE

The School Climate domain measures staff endorsements of Collective Efficacy and Academic Emphasis from the School Staff Survey.

### Student Attitude

TRANSFORM

The Attitudes to School domain measures students' engagement in Stimulating Learning, Learning Confidence and Student Safety from the Attitudes to School Survey.

### Engagement

RENEW

The Engagement domain focuses on students' attendance.

### Participation

STRETCH

The Participation domain measures students' participation in NAPLAN assessments, responses to School Staff Survey and responses to Attitudes to School Survey.

## STUDENT DRESS CODE POLICY

[thelakes.edu.au/uploads/8/3/9/0/83901006/student\\_dress\\_code\\_policy\\_2022.pdf](http://thelakes.edu.au/uploads/8/3/9/0/83901006/student_dress_code_policy_2022.pdf)

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support The Lakes South Morang College's commitment to ensuring that our students feel equal and are dressed safely and appropriately for College activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the College and its students within the wider community.

School Council require the Parent/Carer Community to be responsible for implementation of the dress code in a manner consistent with the Student Code of Conduct. Parents/carers will be contacted in the event of their child being out of uniform and will be asked to bring a correct uniform to the school. If this can't be accommodated, alternative uniform will be provided for students to wear on the day. Students who are not in school uniform will not be allowed to represent the school in any external activities. Students wearing non-compliant uniform items will be asked to change into compliant uniform items.

### COMPULSORY

- School logos on pants, shorts, polos, hoodies, and jackets.
- Navy, aqua and white check dress or skirt of appropriate length.
- Black shoes, including black soles and laces. These may be in the form of runners or closed-toe dress shoes.
- The Lakes SunSmart hats
- Plain navy blue, black or white socks/tights/stockings

### OPTIONAL UNIFORM

- Navy blue bucket hat
- Navy blue beanies or headscarves (no logos)
- Navy blue gloves and neck scarf (no logos)
- Navy blue scrunchies, hair ribbons, hair baubles
- Plain navy blue or white undergarments (skivvy – no hood, thermal, singlet)
- The Lakes schoolbag
- UV approved Sunglasses

## Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open, and The Lakes South Morang College is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved.
- the option for students to mark books as a favourite, give them a star rating or complete a book review.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2024.

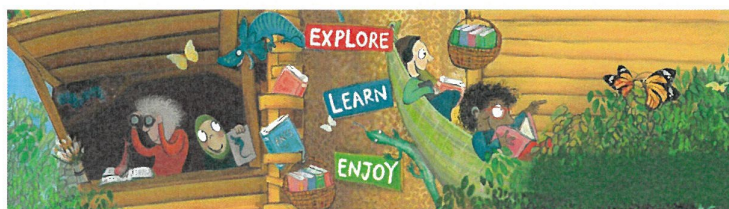

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

Yours sincerely

Alisha Cugnetto  
Premier Reading Challenge Co-ordinator

Marcus Abney-Hastings  
Primary Campus Principal

Penguin  
Random House  
Australia

To register, visit [vic.gov.au/premiers-reading-challenge](http://vic.gov.au/premiers-reading-challenge)

The Victorian Premiers' Reading Challenge is led by the  
Premier with the support of former premiers.

## **COMMUNITY NOTICEBOARD**

### **ATTENDANCE - EVERY DAY COUNTS**

If you are aware that your child will not be attending school due to illness or other circumstances, please contact either office to ensure our attendance records are accurate.

Ways of communicating absences include:

- Placing a future Absence Request through the Compass Education Portal;
- Calling the office;
- Sending an SMS on 0427 226 537

As required by the Department of Education, all schools must notify parents/carer informing that their child is absent. Please inform the office of absences before 10:00 am each morning.

### **BELONGINGS, AMBULANCE & INSURANCE**

Private property brought to school by students, staff or visitors is not insured and the Department of Education does not accept any responsibility for any loss or damage.

Parents and carers are reminded that the Department of Education does not provide personal accident insurance or ambulance cover for students. Parents and carers of students who do not have student accident insurance/ ambulance cover are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/ transport and any other transport costs.

### **CSEF (CAMPS, SPORTS & EXCURSIONS FUND)**

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps, and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card, or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$150.00 for eligible primary school students and \$250.00 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions, and sporting activities for the benefit of your child.

Foundation and Year 7 government school students who are CSEF recipients are also eligible for a uniform voucher. Schools are required to make applications on behalf of parents, so please register your interest at the school.

It is important that funding made available in 2024 supports students to participate in school trips, camps, and sporting activities this year rather than being held for future years. This funding can also be used in conjunction with any funding accrued from previous years.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the Primary Campus office on 9404 9000 or Secondary Campus office on 9401 9419 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

# CANTEEN ORDERS

This year the school canteen is offering lunch orders through the **Flexischools** app.

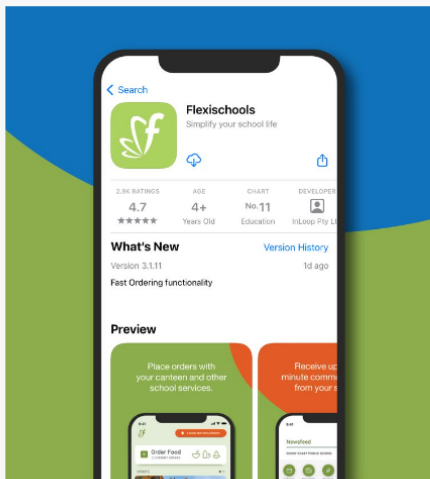

Follow the steps below to setup an account and select The Lakes South Morang College.

Scan the code to setup an account and select The Lakes South Morang College. **Orders need to be in by 9am on the day.**

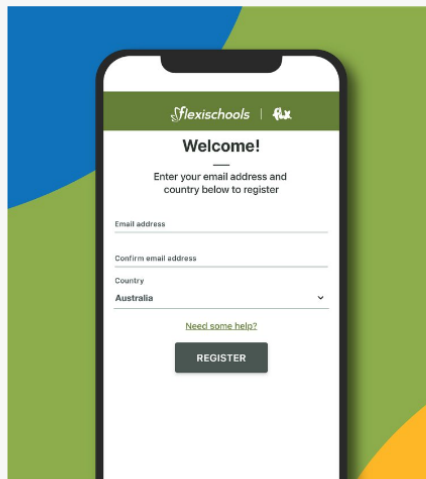

## How to set up your Flexischools account

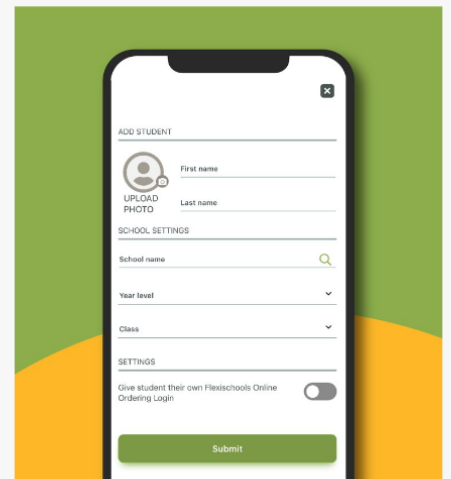

### 1. Download our app

The Flexischools app is the easiest way to place online lunch orders, buy school uniforms, and receive instant notifications from your school.

### 2. Register

- Open the Flexischools App and click 'Register'.
- Submit your email address to create an account.
- Go to your inbox and open the registration email from Flexischools. Click on the link and follow the registration process.

### 3. Log in to your Flexischools account and enter your child's details

- Once your account is set up, log into the Flexischools App
- Select the 'Profile' icon on the navigation bar. Under 'Students', click 'Add new'. Enter your child's name, school, year level, and class. Click 'submit'.

**COMMUNITY NOTICEBOARD**

## THE LAKES COMMUNITY FEEDBACK

Your feedback is valued.  
Please use the following link to provide our College Council and Leadership Team with feedback to help make The Lakes a positive learning community for all.

# Welcome to Education Perfect

Education Perfect (EP) is a comprehensive online suite of learning, assessment and analytics features, supporting teachers to deliver personalised learning and improve student outcomes.

EP is a whole school solution covering multiple subjects and levels. Teachers browse engaging content, assign work and assessments, identify student strengths and weaknesses, and provide students with personalised pathways to learning, all within the one platform.

## The benefits of Education Perfect for your child

EP consolidates the number of teaching and learning tools by offering extensive subject coverage, all within the one platform. Education Perfect:

- ✓ Delivers engaging personalised learning, accessible anywhere and at any pace
- ✓ Provides easy access to remediation and extension work
- ✓ Aligns with the curriculum
- ✓ Monitors and tracks student growth
- ✓ Provides insights to identify individual student needs
- ✓ Informs and optimises classroom teaching time
- ✓ Improves student outcomes

# MUMS CLUB SOCIAL WALK

MEET @ FRANKIES CAFE

TUESDAY APRIL 16TH 9:30AM

MUMS CLUB SOCIAL WALK IS A GREAT WAY TO GET ACTIVE WHILE CONNECTING WITH OTHER MUMS IN YOUR COMMUNITY. GRAB A 1/2 PRICE COFFEE OR A BITE TO EAT & STICK AROUND FOR A CHAT AFTERWARDS. ALL FITNESS LEVELS WELCOME.

@\_THE\_HEALTH\_HUSTLE\_

To thrive, children need a safe and supportive environment at school, at home and in the broader community; no exceptions. At The Lakes South Morang College, we believe meeting the physical and emotional needs of our students is paramount in laying the foundations for a fulfilling future. We pledge to provide an environment that has zero tolerance to child abuse and will strive to work in partnership with our parents and community members to keep our students safe every day, in every way.
